Employer Name: Ace Architecture Inc.

AAA Member : Yes No

Job Title: Architectural Technologist

Job Type (F/T or P/T): F/T

Location(s): Calgary Alberta

Expected Start Date: May 2019

Website Address: www.acearchitecture.ca

Job Description

Ace Architecture is seeking an Intermediate Architectural Technologist with a passion in architecture, drawing and design excellence.

Are you a creative thinker? Do you thrive in a fast-paced environment and rise to a challenge? Are you a self-starter who can work independently, knows when to ask questions, and is comfortable collaborating with a team? Are you curious about the future of our field and eager to help drive it?

Key Responsibilities:

- Apply architectural concepts, building code and zoning requirements to develop architectural design documents to the satisfaction of the client(s);
- Prepare and assemble drawings sets from schematic design through to construction administration in Revit;
- Ensure all work meets Ace standards for quality;
- Complete work upon agreed deadlines.

Qualifications & Skill Sets

- 5+ years of experience in design, construction documents, and contract administration.
- Graduate of an accredited Architectural Technologist Program or equivalent;
- Excellent working drawings and knowledge of current versions of REVIT and AutoCAD is essential;
- Strong knowledge of building technology and assembly, construction methodology, and materials application;
- Familiar with Contract Administration and Shop Drawing Review;
- Ability to understand and formulate design decisions and present for discussion;
- Fully versed in the Alberta Building Code;
- Have an excellent eye for detail;
- Ability to work independently and with a highly collaborative team;
- Exercise judgement where supervision may be minimal;
- Ability to work well under pressure and deadlines;
- Strong communication and interpersonal skills;
