Location(s): Calgary

Expected Start Date: when filled

Website Address: www.kasian.com

Job Description

Kasian is one of the largest integrated architecture and interior design firms in Canada. With a network of offices across Canada and overseas, we are a local firm with a global reach. We strive to enhance the human experience through great design. Our passion is rooted in strengthening connections between people and places by creating environments that inspire and improve lives. From complex operational facilities to finely-crafted workplace interiors, Kasian's breadth of expertise and dedication to excellence has been the driving force behind great design and strong relationships for over 30 years.

We have an opportunity in our Calgary office for a Technologist to join our interior design team. We deliver exciting interior design projects to a diverse base of clients. We are the team behind the Calgary offices for Bennett Jones LLP, Gowlings LLP, and Enbridge as well as the Taylor Family Digital Library and the Esker Foundation Gallery. Kasian is looking for someone who shares this passion and brings a strong base of technical knowledge on interior spaces for the workplace, institutional, healthcare, and commercial sectors.

What you will be doing at Kasian:

- Develop, prepare, and review Feasibility, Schematic Design and Design Development Drawings (DD) and outline specifications
- Develop, prepare, and review Contract Documents (CD) and specifications
- Ensure coordination of consultant documentation with respect to project criteria, client program, drawings, and specifications
- Ensure the accuracy, quality, completeness, and schedule of finished drawing packages through coordination with team members and consultants
- Prepare tender documents
- Assemble, circulate, and file project documents
- Participate in production meetings with project team, consultants, and client representatives
- Perform Quality Control procedures
- Perform building code analysis
- Help resolve difficult operating tasks or drawing production problems
- Perform Contract Administration (CA) duties

What you bring to Kasian:

- Architectural Technology or Interior Design Technology Diploma and 3+ years of experience in Design Development Drawings and Contract Documents
- Demonstrated experience and proficiency in AutoCAD required, Revit experience an asset
- Expert knowledge of and experience with building codes, interior design, and construction processes
- Excellent communication and time management skills
- Expert problem-solving skills
- Attention to detail
- Strong work ethic
