Job Description

We are looking for bright minds and creative thinkers to contribute to our growing design studio in downtown Calgary.

Iwanski Architecture is an established leader in educational, institutional and commercial design and distinguishes itself through detailed planning and exceptional service to our clients. Our office is dedicated to providing the best design and construction solutions to all our clients. If you share these values, we look forward to receiving your CV and portfolio for the positions below.

We are looking to add an Intern Architect to be part of our team.

This position includes:

- Supporting the project architect with presentations, design and detail development, working drawings, and construction administration.
- Preparing reports, minutes or other required project deliverables.
- Providing support to the firm's various projects and initiatives.
- Working on a variety of commercial and educational projects.
- Collaborating with our client groups and multidisciplinary consultant team.

Qualifications & Skill Sets

- Passion for architecture
- The desire to learn and take responsibility
- Independent, conscientious and timely manner of working
- Communication and team collaboration skills
- Very good knowledge of common CAD and visualization programs
- Very good English language skills.

Preference will be given to a well-rounded individual who strives to push design innovation through responsible and sustainable architecture. A minimum of two (2) years of experience with architectural projects is preferable. Excellent communication skills and registration with a provincial association are assets for this position.
