Job Description

Synchro Architecture Inc is where "Architecture is Orchestrated".

A newly established architectural studio, we are located at 10132 105 street in Downtown Edmonton. We persevere in not just designing buildings, interiors and landscape, but also developing long term relationships with our clients and stakeholders. We are known for our down to earth approach, reliable and get it done right attitude.

Currently our projects include Architectural and Interior Design in Commercial, Industrial, Hospitality & Interiors sector. Due to increasing workload, we are inviting applications from Interns &/or Junior/ Intermediate Architectural Technologists.

If you have excellent skills with Auto-cad, Revit & Sketchup; have experience in preparing permit & construction drawings sets, and posses the right attitude to multitask on projects - we are interested in you!

Please apply in confidence to : admin (at) sa-i.ca

Default email address for resumes :admin@sa-i.ca
