Job Description

ABOUT KV PRIVATE EQUITY INC

KV Private Equity Inc. is based in Edmonton and part of the KV group of companies (the first company within the KV group was founded in 2006 and today it includes: KV Private Equity Fund, KV Capital Inc., KV Mortgage Fund Inc. and KV Private Equity Inc.). KV Private Equity Inc. transacts within the lower mid-market to acquire controlling interests in established operating businesses headquartered within western Canada. Operations within the group include capital raising, private mortgage lending, portfolio management and private equity as our newest mandate. We are active partners in the businesses we invest in, with our hands-on involvement allowing us to leverage the financial expertise and extensive business experience of our professional staff and partners.

POSITION CAD Designer

SUMMARY Reporting to the Chief Operating Officer and the Lead Designer, the CAD Designer will work as part of the design team supporting the portfolio companies in the development of new marine and recreational vehicle products. Success in this role requires strong written and verbal communication skills to liaise between the various teams, an understanding of mechanical and product assembly concepts, demonstrated project management abilities, creativity and an enthusiasm for design.

RESPONSIBILITIES Under high level direction from the Lead Designer you will:

- Create conceptual drawings and renderings for new proposals
- Develop 2D drawings and 3D models of marine and recreational vehicle products
- Perform manufacturing finished design and assembly modelling
- Verify 2D drawings and 3D models to ensure accuracy and compliance with accepted practices
- Support the preparation of procedures and instructions for product assembly
- Assist in the creation of standards and procedures for the design team
- Contribute to the research and development of new marine and recreational vehicle products and features
- Liaise with the research and development, manufacturing, engineering, and project management teams

ACCOUNTABILITIES KV Private Equity is focused on developing meaningful, long lasting and mutually beneficial relationships. It will be incumbent upon you to maintain and build the reputation of the firm and the portfolio companies by being responsive, delivering clear communication, timely service and taking ownership of your work product.
