Employer Name: **Kasian**

AAA Member :  Yes  No

Job Title: **Healthcare Architect**

Job Type (F/T or P/T): **F/T**

Location(s): **Calgary**

Expected Start Date: **ASAP**

Website Address: **www.kasian.com**

**Job Description**

Kasian is one of the largest integrated architecture and interior design firms in Canada. With a network of offices across Canada and overseas, we are a local firm with a global reach. We strive to enhance the human experience through great design. Our passion is rooted in strengthening connections between people and places by creating environments that inspire and improve lives. From complex operational facilities to finely-crafted workplace interiors, Kasian's breadth of expertise and dedication to excellence has been the driving force behind great design and strong relationships for over 30 years.

We have an opportunity in our Calgary office for an Architect to join our Healthcare team. With one of the largest architecture practices in Calgary, we are known for delivering extraordinary innovative projects of various scales.

**The Opportunity**

As the successful candidate, you will be working with a dedicated team of creative colleagues on leading edge designs exploring healthcare trends, medical technology, clinical functionality and design. You will be involved in projects from functional programming and masterplanning, through formation of illustrative design and Project Specific Output Specifications (PSOS), participation in design review meetings during the Request for Proposal (RFP) phase, design evaluation, negotiations and award.

**At Kasian, you will:**

- Develop functional and space programs for renovations and new construction for all types of healthcare facilities
- Establish architectural design parameters based on user requirements
- Generate overall architectural design concepts and narratives
- Provide technical writing, namely project specific output specifications/project agreements that form part of RFPs in the P3 project delivery framework
- Manage contractual and financial responsibilities of projects
- Manage document-specific timelines to ensure on-time deliverables
- Build long-term relationships with clients

**Here's what you bring to Kasian:**

- A post-secondary degree in Architecture, with minimum 5 years of experience in in various healthcare design, construction, and planning projects
- Experience in a consulting environment is essential, along with proven PSOS writing skills and experience as part of the PDC team in a P3 project delivery framework
- Strong interpersonal and communication skills, both written and verbal
- Excellent attention to detail, multitasking, prioritization, and flexibility
- Results oriented and forward thinking
- Able to set milestones and achieve them; able to work to tight deadlines
- Highly motivated, a willingness to take command and guide the future development of this market sector at Kasian in Calgary
