

## Job Information

Employer Name: Davignon Martin Architecture + Interior Design

AAA Member :  Yes  No

Job Title: Project Architect

Job Type (F/T or P/T): F/T

Location(s): Calgary, Alberta

Expected Start Date: Feb 2020

Website Address: davignonmartin.ca

## Job Description

We are seeking a Project Architect with strong conceptual design skills and advanced technical knowledge to become a part of our team. You will plan, design and manage others to create inspiring architecture in a variety of typologies.

You will be asked to participate as a Project Architect on an interesting and exciting range of projects inclusive of hospitality, commercial, multi-family residential buildings. You will be brought into each project from the onset and will carry projects through construction. Under the direction of the Creative Director, you will work both independently and/or in collaboration with other team members and will be responsible to develop the design direction, coordinate with sub-consultants and manage as well as contribute to the drawing production for the buildings you are involved with.

The ability to interact positively with clients, consultants, contractors and your internal team is required. You must have a strong desire and commitment to contribute to the quality of the work that this studio will produce. An entrepreneurial nature is welcome.

## Qualifications & Skill Sets

### Qualifications:

- Previous experience in Canada required;
- Proficient in Sketch-up, Photoshop, Indesign;
- Highly proficient in REVIT;
- Proficient in CAD;
- Master's Degree in Architecture from a Canadian accredited institution or the equivalent;
- Registered Architect designation with the AAA will be prioritized;
- A minimum of 5 years of Canadian experience working as an architect or architectural technologist is an absolute must.

### Personal Characteristics:

- Deadline and detail-oriented;
- Ability to manage multiple projects;
- Excellent written and verbal communication skills;
- Strong creative design talent;
- Strong analytical skills;
- A team player, someone who enjoys collaborating, learning from colleagues, and sharing their own expertise.

## Contact Information

(Please indicate any documents which applicants are required to submit, i.e. portfolios, cover letter, etc)

Davignon Martin is an award winning, client focused studio practice. We are looking for passion, talent and experience to add to our team. Our work is inspired and innovative, but also highly technical and intelligently creative. We have a great supportive office with opportunity for growth and learning. We are looking for diligent, accountable individuals committed to a structured environment and processes, production standards, design excellence, positive client engagement and who are ready to sweat the small stuff.
