Employer Name: Perkins & Will

AAA Member : Yes No

Job Title: Intermediate Architect

Job Type (F/T or P/T): F/T

Location(s): Calgary, AB

Expected Start Date: March

Website Address: perkinswill.com

Job Description

Our Calgary studio is growing and we are looking for intermediate architects to join our creative team!

Perkins and Will is an international leader in sustainability and has been consistently recognized as one of the Globe and Mail's Top 100 Greenest Companies in Canada. With one of the largest portfolios of completed green buildings in Canada, the firm is known for innovative sustainability integrated within a clean, modern design vernacular. The practice has garnered more than 150 design awards, including six Governor General Medals, the highest architectural honour in Canada that celebrates outstanding design. Perkins and Will provides expertise spanning various market sectors including transportation, mixed-use, commercial and civic development, sport & rec, and higher education/K-12.

Join our Calgary studio and help us keep our communities connected.

Responsibilities:

- Develops architecturally-significant designs consistent with Perkins and Will's commitment to Design Excellence.
- Develops and prepares design documents including preliminary designs, contract documents, and presentation materials.
- Understands and responds to the technical implications of design decisions.
- Facilitates firm and project goals of excellence in design, execution, sustainability, and resilience.
- Performs tasks according to our standards and Project Delivery Manual.
- As we often work with other P&W offices on our projects, highly developed communication, interpersonal, verbal and written skills are mandatory.
- Works with the team to integrate the design and technical aspects of the project.

Please apply online on our Careers Page: shorturl.at/zJQVX

We thank all interested candidates but due to the volume of applications we receive, only candidates selected for an interview will be contacted.

At Perkins and Will, we value diversity, inclusion, and equity. Our teams work collaboratively and respect each person's unique perspective and contribution. Our diverse teams fuel innovation and creativity, which in turn support our excellence in design.

We believe that inclusion spurs creativity and that innovation is born from an engaged culture of diverse people and ideas. By moving beyond barriers and stereotypes of gender, race, color, religion, national origin, ancestry, age, medical condition, disability, sexual orientation, gender identity, veteran status; we are committed to building an organization that reflects the diversity of the communities and clients we serve.

Qualifications & Skill Sets

To join us, you should have:

- A positive attitude and commitment to being an active and positive participant of our culture
- Strong communication, interpersonal skills, time management, and project management skills are essential.
- A professional degree in Architecture
- 2 - 6 years experience
- Registered Intern or Registered Architect
- Proficient in 3D and 2D graphics software (Revit, Rhino, Grasshopper).
- Proficiency in hand-drawn design and illustration
- Working drawing experience
- LEED Green Associate or agrees to qualify within 6 months of hire
- All design professionals are expected to develop expertise and attain a Professional Accreditation in one area of Living Design that is of interest to you
