Job Description

We are seeking an Interior Designer with strong conceptual design skills and advanced technical knowledge to become a part of our team! You will plan, design and manage a team to create inspiring spaces in commercial, residential and hospitality sectors.

Responsibilities:

- Conceptualize and develop designs in collaboration with the Creative Director;
- Prepare presentations for client review and participate in presentations;
- Liaise with suppliers to maintain up to date product knowledge and library;
- Understand and adhere to project goals as set by the clients;
- Work independently or manage production team members;
- Coordinate with sub-consultants and contractors;
- Maintain happy clients.

You will be asked to participate as a lead designer on an interesting and extensive range of projects inclusive of hospitality, commercial and residential. You will be brought into each project from the onset and will carry projects through construction. Under the direction of the Creative Director, you will work both independently and/or in collaboration with other team members and will be responsible to develop the design direction and production of the interiors you are involved in.

Qualifications & Skill Sets

Qualifications:

- Previous interior design experience in Canada required;
- Proficient in Sketch-up, Photoshop, Indesign;
- Highly proficient in CAD;
- Proficiency in REVIT will be prioritized;
- A Bachelor's Degree in Interior Design is necessary.

Personal Characteristics:

- Deadline and detail-oriented;
- Ability to manage multiple projects;
- Excellent written and verbal communication skills;
- Creative and analytical;
- A team player, someone who enjoys collaborating, learning from colleagues, and sharing their own expertise.

The ability to interact positively with clients, consultants, contractors and your internal team is required. You must have a strong desire and commitment to contribute to the quality of the work that this studio will produce. An entrepreneurial nature is welcome.

Contact Information

(Please indicate any documents which applicants are required to submit, i.e. portfolios, cover letter, etc)

DMA+id is an award winning, client focused studio practice. We are looking for passion, talent and experience to add to our team. Our work is inspired and innovative, but also highly technical and intelligently creative. We have a great supportive office with opportunity for growth and learning. We are looking for diligent, accountable individuals committed to a structured environment and process, production standards, design excellence, positive client engagement and who are ready to sweat the small stuff.
