Job Description

The City of Surrey is the second largest city by population in British Columbia after Vancouver. It is located only 23 km from Vancouver City Centre and offers more affordable housing options. Residents of Surrey enjoy beautiful urban forests, hiking/biking trails, beaches and world class golf courses. Joining the Thinkspace team means working in a diverse community, while being part of a dynamic and growing firm, and enjoying a work-life balance to match.

We are currently seeking Intermediate level Technologists to assist with design and construction document production in our Surrey office. The ideal candidate has experience drafting detailed drawings for all delivery phases, possesses a strong understanding of construction details, and has worked on a variety of project types.

Qualifications & Skill Sets

To be successful in this position, the following qualifications are required;

- 5+ years of relevant experience in Canada
- Degree or diploma in Architectural and Building Technology from an accredited institution
- Working knowledge of the BC Building Code Part 3, Part 9 and ASHRAE 90.1
- High level of proficiency in AutoCAD and Revit. SketchUp and Photoshop experience would be an asset
- Ability to manage priorities and meet tight deadlines
- Effectively coordinate with clients, consultants, and staff in a highly collaborative environment
- Excellent interpersonal skills and communication skills
- Prior Project Management experience (preferred)

Priority will be given to highly self-motivated and self-directed candidates experienced and willing to take on all phases of the procurement process and possessing the desire and ambition to take a leadership role in the firm.
