Job Description

Kasian is one of the largest integrated architecture and interior design firms in Canada. With a network of offices across Canada and overseas, we are a local firm with a global reach. We strive to enhance the human experience through great design. Our passion is rooted in strengthening connections between people and places by creating environments that inspire and improve lives. From complex operational facilities to finely-crafted workplace interiors, Kasian's breadth of expertise and dedication to excellence has been the driving force behind great design and strong relationships for over 30 years.

We have an opportunity in our Calgary office for an Interior Designer, Intermediate to join our team. We deliver exciting interior design projects to a diverse base of clients. We are the team behind the Calgary offices for Bennett Jones LLP, Gowlings LLP, and Enbridge as well as the Taylor Family Digital Library and the Esker Foundation Gallery. Kasian is looking for someone who shares this passion and brings a strong base of technical knowledge on interior spaces for the workplace, institutional, healthcare, and commercial sectors.

About the Opportunity

We are looking for a talented and creative individual to support our exciting portfolio of stand-alone and integrated projects. At the intermediate level, our Interior Designers are involved in coming up with design concepts, space planning, presentations, producing drawings, researching materials, client interaction, and project management.

What you'll be doing at Kasian:

- Work directly with Principals and Associates to take on a key role in the design process including creating design concepts and presentation material
- Participate in client presentations and actively build relationships with clients through the project process
- Produce design and contract documentation in alignment with Kasian's standards of quality, client program and budget needs
- Coordinate with project consultants (ie. electrical, mechanical, structural), contractors and vendors

What you bring to Kasian:

- CIDA-accredited Degree in Interior Design
- A minimum of 3 years of relevant experience in a variety of market sectors, including workplace
- NCIDQ certification, or working towards obtaining it
- Strong technical knowledge and technical drawing experience with Revit and AutoCAD
- Excellent graphic communication and presentation skills
