Employer Name: Robert Pashuk Architecture Inc.

AAA Member : Yes No

Job Title: Intermediate/Senior Architectural Technologist

Job Type (F/T or P/T): F/T

Location(s): Calgary

Expected Start Date: June 01, 2019

Website Address: www.robertpashukarchitecture.com

Job Description

First opening our doors in 2001, Robert Pashuk Architecture is a Calgary based full-service Architecture and Interior Design studio creating innovative and sustainable design solutions. With extensive experience in residential, commercial, and healthcare design - we are a small firm who continues to grow.

We are currently looking to fill a full-time Intermediate/Senior Architectural Technologist position.

The successful candidate will be well organized, self-directed, and work closely with the Architects and Interior Designers in a collaborative open working environment. The role will require the completion of a variety of tasks associated with all aspects/stages of a project - from preliminary design through construction completion and close-out - alongside maintaining efficient operation of the firm. IT proficiency and support abilities are required.

Qualifications & Skill Sets

- Must be proficient in Autocad/Autocad LT, SketchUp/SketchUp Pro, Adobe Creative Suite, and Microsoft Office.
- Experience in Revit is an asset.
- Graduate of an accredited 2-3 year post-secondary Architectural Technology Program is required.
- Minimum 5 years of experience in a Canadian Architectural firm is a prerequisite.
- Experience within a small studio is preferred.
- Experience with residential and healthcare interiors is a prerequisite.

Contact Information

(Please indicate any documents which applicants are required to submit, i.e. portfolios, cover letter, etc)

Please forward your cover letter, resume, and portfolio to robert@rparch.ca - please be sure to include the position of application in the subject line.

If you'd prefer hard copy:
