

Job Information

Employer Name: Employment Network Canada Inc on behalf of Client AAA Member : Yes No
Job Title: Registered Architect Job Type (F/T or P/T): F/T
Location(s): Regina, Saskatchewan Expected Start Date: Negotiable
Website Address: www.employmentnetwork.ca

Job Description

As a REGISTERED ARCHITECT, your leadership and communications skills will be supported by 2 – 10 years of architectural experience in commercial retail, institutional and/or commercial building projects.

Our client is a well-respected and growing Architectural firm based in Regina, Saskatchewan.

Consideration will also be given to newly Registered Architects.

Join a team of highly-skilled Architectural professionals committed to client service, project success and a work hard—have fun work environment. Experience the many opportunities for professional growth and advancement!

As a key member of the Architectural team, you will:

1. Work independently, as well as collaborate with the Architectural team on building projects from inception to construction completion.
2. Consult with prospective and current clients to determine their building construction needs.
3. Prepare or supervise the preparation of drawings, specifications and construction documents. Monitor design modifications and changes to ensure budget adherence.
4. Monitor construction activities, management contract administration and ensure compliance with specifications.
5. Develop positive working relationships with clients, building owners, contractors, engineers, sub-trades and representatives of the business and construction community.
6. Coach and mentor Architectural Technicians, Junior Architects and/or students.
7. In line with your professional and career development, gain knowledge and confidence in dealing with the business aspects of managing an office.

Qualifications & Skill Sets

Requirements

- Bachelor's or Masters degree in Architecture from an accredited school of architecture recognized by the Canadian Architectural Certification Board (CACB), or completion of the syllabus of studies from the Royal Architectural Institute of Canada (RAIC) is required.
- Approx 2 to 10 years of licensed architectural experience, with eligibility of being licensed in Saskatchewan.

As the selected candidate, you will be:

- A motivated, career driven and down to earth professional with a high commitment to providing exceptional client service.
- Self-starter with strong leadership skills and initiative. You will have the desire and ambition to grow to a leadership/management level of the firm.
- Demonstrated project management skills and sound judgment to achieve goals and meet deadlines.
- Professional, responsible and trustworthy. You will enjoy working in a highly team-oriented, positive work environment.
