**Job Description**

First opening our doors in 2001, Robert Pashuk Architecture is a Calgary based full-service Architecture and Interior Design studio creating innovative and sustainable design solutions. With extensive experience in residential, commercial, and healthcare design - we are a small firm who continues to grow.

We are currently looking to fill a full-time Junior/Intermediate Intern Architect position.

The successful candidate will be well organized, self-directed, and work closely with the Architects and Interior Designers in a collaborative open working environment. The role will require the completion of a variety of tasks associated with all aspects/stages of a project - from preliminary design through construction completion and close-out - alongside maintaining efficient operation of the firm. IT proficiency and support abilities are required.

## Qualifications & Skill Sets

- Must be proficient in Autocad/Autocad LT, SketchUp/SketchUp Pro, Adobe Creative Suite, and Microsoft Office.
- Experience in Revit is an asset.
- Graduate of an accredited post-secondary Architectural program.
- Minimum 2-3 years of post-graduate office experience.
