Location(s): Calgary, Alberta

Expected Start Date: ASAP

Website Address: _____

Job Description

WHO WE ARE

Duel Architecture is a full-service architectural design practice located in the heart of 17th Avenue in Calgary, Alberta. We are a small, close-knit group working in a highly collaborative environment to ensure the delivery of robust drawings at every stage of a project. With license to practice in Alberta and BC, our firm is involved in a wide variety of projects including single, multi-family & mixed use residential, commercial retail and office, industrial warehousing, and hospitality buildings.

Duel Architecture is seeking a full-time Intermediate Architectural Technologist to join our Calgary studio. We offer a great work environment with the opportunity to work on a wide variety of project types. This is an opportunity to be highly involved in the process of architecture from the inception of the project to the project management of the DP/BP & CA work. At Duel, we are always looking to expand our client-base and be introduced to new project types, so if you bring valuable connections or are business development savvy, we want to hear from you!

WHO YOU ARE

- A highly organized individual who is thorough in their work and attentive to details;
- A creative individual with effective graphic representation abilities (preferred);
- A self-starter with the ability to learn, grow, and adapt to change; and
- A team player with clear and effective communication.

Qualifications & Skill Sets

WHAT YOU BRING

- Minimum 5+ years' relevant experience with an Architectural firm, ideally based within Calgary;
- Architectural Technology Diploma/Certification from a professionally recognized post-secondary institution;
- Minimum of 5 years' experience using Revit;
- Demonstrated expertise in building technology including wood frame, steel and concrete construction, for low-rise and mid-rise projects;
- Familiarity with municipal approvals processes;
- Knowledge of the Alberta Building Code and City of Calgary Land Use Bylaw (knowledge of the BC Building Code would be considered an asset);
- Experience in a variety of project types including Residential & Multi-Family, Commercial Retail & Office, and Hospitality;
- Experience in Contract Administration and Field Review conduct and processes;
- Understanding of sustainable design principles and practices;
- Ability to manage priorities and meet time sensitive deadlines;
- Ability to manage and lead a project with minimal supervision;
- Ability to effectively coordinate with colleagues, clients, consultants, and Municipal staff; and
- Excellent written and verbal communication in English.

Contact Information

(Please indicate any documents which applicants are required to submit, i.e. portfolios, cover letter, etc)

WHAT YOU WILL GET

- The opportunity to be highly involved in a variety of project types and a chance to grow within the firm;
- A stimulating and creative design studio environment;
- A great team of friendly and supportive co-workers.

APPLY TODAY

If you are confident that you fulfill these requirements and want to work with a friendly and respectful group of professionals, we want to hear from you! Please email your resume and cover letter along with your portfolio, in PDF format to info@duelarchitecture.com with the subject line, 'Intermediate Architectural Technologist'.

We thank all applicants for their interest in Duel Architecture. However, only those selected for an interview will be contacted.
