Job Description

INTERMEDIATE INTERIOR DESIGNER – Multidisciplinary Studio with great advancement opportunities.

OUR STUDIO:

Next is a space where egos are checked at the door. We are all contributors, and work collaboratively to create great design.

To be better we realized that we have to create a place where greatness can be fostered; we need a place where people feel safe enough to generate ideas without being ostracized and push the bar forward without being judged. We are creating an ecosystem where incredibly talented individuals are empowered to put their best work into the hands of thousands of people who can enjoy buildings that are safe for everyone, fun to experience, foster a societal shift forward and are delivered with incredible quality, predictability and certainty.

POSITION:

We are looking for an intermediate interior designer with 5+ years of experience in the field. Must have graduated from a CIDA accredited post-secondary program.

- Full time employment with flexible hours
- 4 weeks paid vacation
- Comprehensive benefit package

YOU HAVE:

- o Passion for design
- o Excellent ability to build rapport and collaborate with others
- o Experience directing projects
- o NCIDQ Certified
- o Revit, InDesign, dRofus experience preferred
- o LEED and WELL Certification are on your radar

THE LOCATION:

Next Architecture, Edmonton Office is located centrally at Jasper Avenue and 105th Street.
#302 – 10526 Jasper Avenue NW – Edmonton – Alberta – T5J 1Z7

WHY SHOULD YOU APPLY?

- You love working in a highly collaborative team of design professionals, engineers, and clients.
- We offer supportive work/life balance
- We have excellent growth and advancement opportunities
- We are committed to continuous learning
