## Job Description

Wensley Architecture has an immediate opening in Victoria, BC for an Intern Architect, or similar designation, with demonstrated expertise in design, design development, and Municipal approval processes. We are looking for a creative team player who is committed to providing high quality work, and who is looking for long term employment. The successful candidate will work closely with the Project Designer to prepare complete design drawings for Client and Municipal approvals. We will provide a competitive salary, health benefits and opportunities for professional development.

## Qualifications & Skill Sets

- Minimum three to five years relevant Canadian experience;
- Experience in a variety of project types, including retail, office and residential;
- Experience in interpreting Municipal zoning and planning documents, and familiarity with Municipal approval processes (i.e. Rezoning and Development Permit);
- Demonstrated design ability, both concept design and design development;
- Understanding of sustainable design considerations;
- Ability to clearly communicate with Clients, Consultants and Municipal staff;
- Excellent architectural graphic skills with high level of proficiency in AutoCad, Photoshop and SketchUp. (Experience with Revit would be an asset);
- Ability to multi-task and to meet deadlines; and
- Excellent interpersonal and communication skills in English.

## Contact Information

(Please indicate any documents which applicants are required to submit, i.e. portfolios, cover letter, etc)

Please email your resume, including samples of your work in PDF format, a minimum of two professional references, and salary expectations to [office@wensleyarch.com](mailto:office@wensleyarch.com). Include your name and which position you are applying for ("Intern Architect Victoria") in the subject of your email.
