

**Job Information**

Employer Name: CKDESIGN Licensed Interior Design Inc. AAA Member :  Yes  No  
Job Title: Architectural Technologist Job Type (F/T or P/T): Flexible  
Location(s): Edmonton Expected Start Date: TBD  
Website Address: www.ckdesignassociates.com

**Job Description**

**ARCHITECTURAL TECHNOLOGIST**

CKDESIGN Licensed Interior Design is an award-winning commercial design firm specializing in Alberta's most innovative restaurant and corporate environments. The firm is led by Chris Kourouniotis, a Ryerson University Graduate and Licensed Interior Designer with over 23 years of experience in Alberta and over 1,600 completed projects.

Reporting to the Principal, the Architectural Technologist will be responsible for supporting activities of the Senior and Intermediate Design team. This includes working to produce the market's most accurate CAD drawings and project documentation according to industry best CKDESIGN "standards". A meticulous attention to interior design details and a passion for environmental design excellence is an asset.

**Why join CKDESIGN?**

- Your work contribution will have an immediate impact on the firm;
- Competitive salaries and the opportunity to grow professionally with our company;
- We are a fun group of individuals who work hard and play harder;
- We are a focused team of design professionals whose industry leading work can be seen throughout the restaurant and hospitality industry in Edmonton, across Alberta and beyond;
- Health and dental benefits;
- Additional wellness benefits – yoga, gym memberships paid for;
- Education fund provided;
- Trendy newly renovated office on 124 Street within walking distance to coffee bars, restaurants, or snack and drink at the office with the provided goodies.
