Job Description

MCM is seeking highly motivated architects and designers with long-term career goals for employment in a collaborative workplace. Creative ability in various project types such as office, retail, residential and hospitality are an asset. To learn more about MCM visit www.mcmparchitects.com

FOUNDED IN VANCOUVER IN 1965, Musson Cattell Mackey Partnership Architects Designers Planners * (MCM) has grown to be one of British Columbia's most respected architectural practices, with an extensive portfolio of complex and acclaimed projects in response to the needs of a loyal and varied Clientele. MCM is based in Vancouver with over 60 staff including our associate firm MCM Interiors Ltd.

MCM enjoys a history of satisfied users and Clients, resulting from a fundamental commitment to the appreciation and integration of Client goals and aspirations. The firm's approach as a team player combines a strong design orientation with a depth of solid expertise in programming, master-planning, interior design, functional planning, construction methods, cost control, local code requirements, contract administration, sustainable building, integration of technology, and various methods of project delivery.

With a fundamental commitment to design excellence, MCM produces buildings through dialogue and collaboration. Leadership in both design and project management is provided by Mark Whitehead, Bill Reid, Mark Thompson, Jacques Beaudreault and Celso Stifelmann. They are supported by a diverse and highly qualified staff including the continuing contribution of Founding Partner, Frank Musson.

MCM is passionate and committed to help improve the human condition by embedding sustainable design practices into the creation of the built environment with the purpose of enriching the lives, health, and well being of its inhabitants.

*A Partnership of Corporations
