Job Description

Group2 Architecture Interior Design Ltd.

Empowering People and Ideas through Design.

Group2 Architecture Interior Design Ltd. (Group2) is a firm focused on using collaborative techniques to deliver value to clients in the recreational, educational, commercial and health care sectors. Group2 was established in Red Deer in 1985 and has studios in Red Deer, Edmonton, Calgary, Saskatoon and Ottawa.

Our Saskatoon studio is currently seeking a motivated Intermediate Architect to join our team. The ideal candidate will be a team player, well organized individual with a passion for design excellence.

In your role as Intermediate Project Architect you will:

- * Support the architectural team throughout the entire project design process on projects.
- * Assist in the streamlining of the architectural design process from conceptual design through overall completion of the project.
- * Perform redlines changes and revisions; assist with contract administration responsibilities.
- * Organize and maintain project files.
- * Assist with the preparation of required project documents, minutes, schedules and specifications.
- * Achieve goals in line with the vision of the firm.

Qualifications & Skill Sets

- * University degree in Architecture.
- * Registration with SAA or ability for registration.
- * Minimum of 5 -10 years of experience working in an architectural firm.
- * Demonstrate excellent communication and design thinking skills.
- * Ethical and responsible decision-making ability.
- * Strong organizational, problem solving, and analytical skills.
- * Demonstrated proficiency in Revit is required.

Contact Information

(Please indicate any documents which applicants are required to submit, i.e. portfolios, cover letter, etc)

If you are interested in joining our team and contributing to our exceptional track record, please email your resume and cover letter to hr@group2.ca. We thank all applicants for their interest however, only those candidates selected for an interview will be contacted.
