Job Description

INTERMEDIATE INTERIOR DESIGNER

CKDESIGN Licensed Interior Design is an award-winning commercial design firm specializing in Alberta's most innovative restaurant and corporate environments. The firm is led by Chris Kourouniotis, a Ryerson University Graduate and Licensed Interior Designer with over 23 years of experience in Alberta and over 1,600 completed projects.

Reporting to the Principal and Senior Designer, the Intermediate Interior Designer will be responsible for supporting activities of the Senior and Intermediate Design team. This includes working to produce the market's most accurate CAD drawings and project documentation according to strict CKDESIGN CAD standards. A meticulous attention to interior design details and a passion for CAD excellence is an asset.

Why join CKDESIGN?

- Your work contribution will have an immediate impact on the firm;
- Competitive salaries and the opportunity to grow professionally with our company;
- We are a fun group of individuals who work hard and play harder;
- We are a focused team of design professionals whose industry leading work can be seen throughout the restaurant and hospitality industry in Edmonton, across Alberta and beyond;
- Health and dental benefits;
- Additional wellness benefits – yoga, gym memberships paid for;
- Education fund provided;
- Trendy newly renovated office on 124 Street within walking distance to coffee bars, restaurants, or snack and drink at the office with the provided goodies.

Qualifications & Skill Sets

KEY RESPONSIBILITIES:

- Prepare working drawings on CAD (30 hrs/week min) and specifications for tender using strict CKDESIGN standards;
- Space planning, conceptual design and research materials/finishes as required;
- Ability to perform site verification, site measurements, furniture inventory and equipment inventory;
- Manage client relationship, client communication and client satisfaction;
- Interface and communicate in meetings, presentations and site visits;
- Conduct tender calls, prepare addenda, interpret comments from contractors and prepare tender analysis;
- Mentoring and supporting junior design team members.

QUALIFICATIONS:

- Minimum diploma or degree completed in Commercial Interior Design; LID ready candidate an asset;
- Current NCIDQ certificate holder would be an asset;
- Minimum three (3) years of design experience leading commercial projects – including the applicable technical CAD drawings;
- Proficiency in CAD;
- Excellent freehand sketching of design and millwork details on trace paper or other mediums;
- A Meticulous attention to detail;
- “A TYPE” team player attitude, strong work ethics and willingness to learn;
- Ability to Multitask and prioritize projects;
- Excellent knowledge of design documentation, detailing, building materials and the AB Building Code;
- Excellent written and oral communications;
- Excellent SketchUp skills.
