**Job Description**

**CUSTOM HOME DESIGNER**

Sticks + Stones is an award winning boutique firm based in Kelowna which brings together the practice of Architecture, Interior Design and Home Couture in Western Canada. Our group of talented individuals enjoy what we do as we all are committed to success. We are looking for an Architectural Technologist/Architect for our Kelowna office as we continue to grow.

**RESPONSIBILITIES**

Custom home design with exceptional drafting practice standards while maintaining drawing quality control and managing multiple projects

Must maintain project documentation within an established timeline and budget.

Competency in working with local authorities in AB and BC for DP and BP submissions

Provide ongoing innovative solutions in the production of contract documents and internal procedure

**Qualifications & Skill Sets**

**DESIRED SKILLS & EXPERIENCE**

Degree or Diploma – Architectural Technologist from a recognized institution  
Minimum 7 years of experience in custom home design  
Proven ability using AutoCAD, SketchUp, Microsoft Office and Adobe  
Competency of AB and BC Building Code is essential  
Competency with various Cities and Towns and their requirements for DP and BP submissions  
Excellent communication skills both verbally and written  
Outstanding leadership, relationship and management skills  
Strong interpersonal and presentation skills  
Strong entrepreneurial spirit with the ability to be a “ self-starter ” and work independently

**Contact Information**

(Please indicate any documents which applicants are required to submit, i.e. portfolios, cover letter, etc)

We are dedicated to providing a positive, friendly and cooperative environment. Our work environment is the type of place that values fun, hard work and gives the freedom to connect, create and standout!
