Employer Name: Alan Lowe Architect Inc.

AAA Member : Yes No

Job Title: Architect / Senior Technologist

Job Type (F/T or P/T): F/T

Location(s): Victoria, B.C.

Expected Start Date: October 2021

Website Address: www.lowegroup.ca

Job Description

Alan Lowe Architect Inc. is a small architectural firm in Victoria serving Vancouver Island for the past 30 years. We specialize in four to six storey wood-frame multi-family housing, car dealerships, places of worship, and tenant improvements. We are seeking either a senior technologist with design skills or a project architect. The successful candidate will have opportunities for profit sharing.

The successful candidate will have strong conceptual design, design development skills and contract documentation. Candidates should have the ability to work well with a project team and be self motivated. The candidate should have a minimum of 10 years of experience, preferably with experience in mid-rise wood framed construction.

The candidate " Must be registered with the AIBC or eligible to register with the AIBC "

Qualifications & Skill Sets

Requirements:

Degree in Architecture and registration in British Columbia (AIBC)
Minimum 10 years of experience
Strong conceptual design skills
Knowledge of BC Building Codes

Proficiency in AutoCAD and Sketchup
Excellent design and visual communication skills
