1:15 – 2:00 p.m.**

**IMPERIAL BALLROOM 4/6/8  
HYATT REGENCY - CALGARY, ALBERTA**

---

**CALL TO ORDER**

President Peter Osborne called the Member Forum to order at 1:15 pm. Peter mentioned that Council specifically wants to ensure that we have the opportunity for several open discussions throughout the year with members on various issues that we are facing as a profession and as an Association. We thank you for staying for the Member Forum.

Peter mentioned there was only one item we would like to bring forward to the members; and to please reserve your questions to the end of the presentation and use the microphones on the floor and clearly state your name so that we can capture them in the minutes.

**ITEM 1      LEGISLATION UPDATE**

Patti Swanson, Chair of the Legislation Committee presented the members with an update on the Legislation review.

**ITEM 2      MEMBER FORUM – QUESTIONS FROM THE FLOOR**

Don Davidson thanked Mark Chambers for his presentation and opened the floor for comments and questions.

- Karel Pokorny, Retired Member, AAA, asked if there is a committee for practice review. Yes, the AAA has a Practice Review Board and is welcoming a Director of Practice in the office that will help with this.
- Karel Pokorny, Retired Member, AAA, told members about a paper he wrote on reciprocity and felt the process is a sham.
- Karel Pokorny was wondering if there is any legal document which allows AAA to insist other associations take disciplinary action for their architects.

Peter Osborne will check into this with CALA at the next meeting.

- Luisa Zilla, Licensed Interior Designer, asked about professional liability insurance. Patti Swanson answered that the vote went through for mandatory professional insurance and all members will be required to have insurance.

**ITEM 3      CLOSING REMARKS**

Peter Osborne thanked everyone for their input and reminded them that the AAA is always looking for volunteers to help out on various committees.

The Member Forum ended at 2:00 p.m.
