MEMBER FORUM – 1:00 pm

The annual Member Forum is an opportunity to discuss various issues that our professions face.

We invite members to raise questions or bring forward comments at any time during the AGM via the question box in the webinar’s control panel. We will collect questions and comments and will respond to as many as possible at the Member Forum.

Should any member wish to make a comment during the Member Forum, we ask that they either use the raise hand feature (microphone required) or type it in the question box, both in the webinar’s control panel.

END – 1:15 pm
