

The Alberta Association of Architects

Architects and Licensed Interior Designers

The Alberta Association of Architects (AAA) recognizes that there may be financial hardship as a result of Covid-19. To assist during this time, we are pleased to announce a 2021 dues payment plan for the following membership categories that enables fees to be paid in three equal instalments:

- Registered Architects paying fees of \$1,023.75
- Licensed Interior Designers paying fees of \$1,023.75
- Interns paying full fees of \$1,023.75
- Firms/Corporations paying fees of \$446.25

The instalment payment option is only available with post-dated cheques. Please send 3 post-dated cheques (as per schedule below) to the AAA office, before November 30, 2020. A reminder to include your name and member ID on your cheques please. This will ensure that the payments are applied properly to your account.

Once your post-dated cheques have been received, you will receive an email confirmation within 5 business days that you are signed up to pay in instalments.
