Did You Know?

To mark the 150th year since Frank Lloyd Wright's birth, two major retrospectives about the man and his work open in New York. To this day, Frank Lloyd Wright endures as maybe the most iconic architect of the 20th century – a starchitect, before such a term existed. New York's Museum of Modern Art has mounted an ambitious exhibition of materials, ephemera and interpretations from Wright's extensive archive. [More...](#)
